**It is a lot of FUN and we get to eat for free. Yea!!**

**We need ALL Scouts, Scouters, parents and family members to help.**

Come participate in this Fun and worthwhile event. This project is important in the life of our Troop. The Scouts need participation points and service hours and this is a great way to pick up some points. It is a lot of Fun and a great way to learn servant leadership and give back to the community.

Scouts and Scouters are asked to help the Lions sell tickets to the Pancake Festival. Help out the Lion's Club, give back to the community and have fun in the process. Scouts will earn service hours and participation points. **Sell Pancake Festival Tickets!!! Thanks !!!!**

### **Advancement Update**

Scouts and Scouters, here is the information on how you can check a Scouts advancement records. Go to the Troop web site ([www.troop157.com](http://www.troop157.com)) and locate the link in the top left section of the home page or you can go to: <http://www.troopmasterweb.com/troop157>.

You will need a User ID and a Password to get into the system. The User ID is the scout's last name first initial (Joe Smith would be SmithJ). The Password will be the scout's six digit birthday (01/01/2000 would be 010100). Once you are in the system you will be able to change the password. This tool will let you pull up the most up to date scout records. All scouts should be responsible for keeping track of their own rank advancement progress and parents should encourage them to check

**Scouters.** The troop needs your help. **BSA National is requiring us to have Weather Training.** Log into your My Scouting account and take the Severe Weather Training online video class. It

does not take long and is really easy. It is like the Youth Protection Online Class. After you complete the Severe Weather Class, Print off two copies of the certificate showing that you completed the course. We will hold one certificate at the troop level and provide the council office with the other. We cannot get our tour permits without having our Scouters Weather Trained. Thank you for your understanding.
