## Continue Filming our Troop Tube Videos on Monday

“Troop Tube” has begun! Prepare the scripts and actions for your Troop Tube Videos on Scout Skills. Here is who is doing what: Jelly Bellies-Compass, Fighting Percussion-Knots, Wombats-Knife & Ax, Bloody Wolves-First Aid, Roadrunners-Tents, Venture-Lashings and CPR. Bring you Scout Handbook and be Be Prepared to put together a great video. We want all patrol members to have “face time” in the video. Plan and script out your video step by step. Pay attention to details. Think about camera angles, props, materials, vocals. Put your best effort into the project. We will show the videos at the Spring COH where they will be judged by all in attendance. Patrol Advisors are needed to help the patrols. Help will be need in editing the videos as well. **Advancement Update**  
Scouts and Scouters, here is the information on how you can check a Scouts advancement records. Go to the

Troop web site ([www.troop157.com](http://www.troop157.com)) and locate the link in the top left section of the home page or you can go to:

<http://www.troopmasterweb.com/troop157>.

You will need a User ID and a Password to get into the system. The User ID is the scout's last name first initial (Joe Smith would be SmithJ). The Password will be the scout's six digit birthday (01/01/2000 would be 010100). Once you are in the system you will be able to change the password. This tool will let you pull up the most up to date scout records. All scouts should be responsible for keeping track of their own rank advancement progress and parents should encourage them to check

**Scouters.** The troop needs your help. **BSA National is requiring us to have Weather Training.** Log into your My Scouting account and take the Severe Weather Training online video class. It does not take long and is really easy. It is like the Youth Protection Online Class. After you complete the Severe Weather Class, Print off two copies of the certificate showing that you completed the course. We will hold one certificate at the troop level and provide the council office with the other. We cannot get our tour permits without having our Scouters Weather Trained. Thank you for your understanding.
